THE CAUSE

Many of our neighbors choose between feeding their family, paying for housing, buying gas or filling a prescription. Second Harvest Heartland is one of the nation's largest hunger relief organizations, reaching more than half a million individuals in Minnesota and western Wisconsin each year - providing 89 million meals. At Second Harvest Heartland, we know that there is more than enough food available to feed everyone. We are creating a sustainable support system that delivers the abundance of food to those who need it most, but we can't do it alone.

FUNDRAISING SUCCESS

During the past 13 years, Vintner Uncorked (formerly known as Vintner Ball) has raised more than
\$2 MILLION
for the benefit of Second Harvest Heartland: enough to provide more than
6 MILLION MEALS
to those in our community who count on us for support.
